BOOK CLUB: The book selection for September is **The Screwtape Letters**, which is a profound book that will jolt you awake from your apathetic musing and stir you to the depths of your soul. This is an amusing book (who couldn't use more humor in their life?). It is as if C. S. Lewis (author) crawled into your consciousness and described every mental battle you've ever had - and explains that those subtle arguments, which steered you away from spiritual growth, were cleverly disguised devilish whispers. As Lewis points out, the path to hell is a gentle slope. Our Book Club meeting date will be 7PM Wednesday, September 28th in the Chapel. If you have any questions or comments, you may contact Kathy Masucci at 577-3297 or MasucciKM31@nycap.rr.com.
